ABOUT THE STATE

White River Junction is planning to have a merchants' week and a meeting of the board of trade has been called to consider the matter in detail.

During the month of October, there ere 51 births and 37 deaths in Burling-Girl babies took a big lead last month, there being 35 of them, compared with only 16 boys. The oldest mother was 34 years old, while the youngest mother was 18. Of the deaths 14 were males and 23 were females.

The condition of Zoe Blair of Burlington, the child who was seriously injured internally in a runaway and was afterward taken to the Mary Fletcher hospital, is improved. In the fall the girl received some internal hemorrhages, which it was feared for a time would prove fatal.

Miss Sarah Hathaway, a table girl in tion, narrowly escaped severe injuries Tuesday, when she fell from the top of the stairs leading from Woodmen's hall to the street. She stumbled over a rug at the top landing and plunged down the stairs. When picked up she was unconscious, but was found to have broken no bones. She was considerably

damaged the buildings to a large extent, The house was occupied by Fred Bou-chaine and family, who also had some goods stored in a lean-to. Most of the goods in the main part of the house were saved, but those in the lean-to were destroyed, with a loss of \$300 and The fire department's no insurance. chemical engine failed to work, as the composition had become caked,

Recent heavy rainfalls have let so in the Vermont conference, much surface water into the reservoirs of Brattleboro's water supply that sam-ples recently sent to Burlington for analysis were reported as polluted. Henry Tucker, the health officer, thinks the situation is caused entirely by the their hearty support and sympathy, rainfall and, while he advises that all water to be used for drinking purposes be boiled, he is quite positive that the trouble will disappear with the cold weather. Samples taken from the reservoir in August were reported as free

The town officers of Grafton and one of its residents are at loggerheads over the payment of taxes. Miss L. J. C. Daniels, who has been a resident of that town for many years, has sent a written notice to the town clerk, J. Henry Stow-ell, that she will not pay her taxes be-cause the Grafton town representative voted against woman suffrage in the last legislature and because she objected to taxation without representation at the ballot box. When her taxes had been delinquent ten months, the con-stable went to Bellows Falls and attached stock held by her in the national bank. She was notified that six shares of the stock would be sold at auction.

NINE LIVING GRANDPARENTS.

Frank Alvin Cummings, Aged 9 Months, of St. Johnsbury Has Them. St. Johnsbury, Nov. 13 .- Not only can

the Cummings family of this town boast of four male generations in direct line, living under one roof, but the youngest of this quartet, Frank Alvin Cummings, is blessed with nine living grandparents. ther is 25 years of age and his grandfather, Alvin J. Cummings, is 48, while the great-grandfather, Albert D. Cummings, is hale and hearty at 76. Mrs Harry L. Cummings died when her son

was ten days old and since that time their home has been with their parents on Washington avenue.

Besides those already mentioned there are living the following grandparents: Mrs. Alvin J. Cummings, Mrs. Albert D. Cummings, Mr. and Mrs. M. A. Goodnough of Hardwick, parents of Mrs. Al-vin J. Cummings; Mr. and Mrs. George H. Fuller of Hardwick, parents of Mrs. Harry L. Cummings; and the oldest in list, Mrs. Mandana Goodnough of Plainfield. Mrs. Goodnough is, without doubt, the most remarkable one of this long family list. She is 85 years of age, but carries her years very lightly. She frequently visits relatives in the adjoining towns of Walden and Hardwick, and during the past summer has attended ber own garden.

The first present ever received by Master Frank Cummings was a bib made and embroidered by this great-great-grandmother. Her hearing and eyesight remain unimpaired and she is vigorous in body and mind.

Besides the grand parents, this young man also boasts four uncles, two aunts, three great-greatuncles, two greataunts, and an uncle whose title is prefixed with three greats.

SPENT HER MONEY WELL

On beautiful Sheridan avenue, in De-troit, lives Misa Marie Richter in perfeet health, although a year ago she was almost a wreck. Writing of her condition at that time she says: ter I was completely run down and felt fagged-out all the time, was nervous and had indigestion.

"One of my friends advised me to take Vinol, and it has done me great good. The tired, worn-out feeling is all gone and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired. nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol."

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. you are pale, weak, nervous and upset you owe it to yourself and your family to try Vinol. It will build you and make you strong. If it does not we give back your money. Red Cross Phar the Union Station cafe in White June- macy, Burt H. Wells, Prop., Barre, Vt.
